

PRODUCTIONS UNLIMITED, INC.

**Celebrating 20 Years!
1997-2017**

This job is a mix of construction, fabrication, and rigging trades. Experience with multiple trades is a benefit. Advanced training is a possibility.

Specific areas of responsibility will include, but are not limited to:

- Installation of theatrical equipment, stage lighting, curtains, theatrical rigging, sound systems, and video systems
- Working in a metal fabrication shop to prepare equipment for projects (duties will include cutting, welding, drilling, punching, and painting)
- Working in existing venues and new venues that are under construction, which may both require the use of personal protective equipment (PPE) – e.g., hard hat, safety glasses, and steel-toed boots
- Working at height while climbing on building structures or working out of a manlift
- Traveling up to 5 days per week and spending up to 4 nights per week in a hotel
- Obeying company, OSHA, and specific jobsite safety protocols, including drug testing

Qualifications:

- Ability to work independently and in a team
- Physical activities to include, but not limited to: lifting, pushing, pulling, carrying 50+ lbs
- Need to be able to work some overtime
- Ability to read blueprints, work in AutoCAD, and verify field conditions a plus

The job is based in Upstate, South Carolina. This area is consistently rated as one of the top places to visit and live in the country. We are located 1 hour from the mountains and 3 hours from the beautiful coast of South Carolina.

Salary range is dependent on experience and background, and includes a benefits package.
